

Expression of Interest

Maliasili Initiatives' believes that strong and sustainable local and national organizations are critical in bringing about long lasting and transformational changes to conserve natural resources, strengthen community resource rights and governance, and improve local livelihoods. By supporting the most innovative and high-potential local organizations to identify, address and solve their organizational development challenges, we help our partners to achieve their potential for scaling their reach and impact in contributing to a shared vision of sustainably using and managing Africa's natural resources.

If you are interested in becoming one of Maliasili Initiatives' partners and thereby receiving organizational strengthening support services from us, please answer the following questions. This expression of interest should be completed and submitted by a member of your organization's senior management team. We encourage you to discuss this opportunity with all members of your senior management team as well as members of your board.

-
1. Please describe your organization – what you do, why you do it, and your impacts and goals.
 2. What are your major organizational goals and aspirations? What do you hope to achieve during the next several years?
 3. What are your organizational or capacity development needs and priorities? What organizational problems or challenges are you trying to solve?
 4. Are you able to commit any specific resources to organizational strengthening (time, funding, etc.)?

Please send your expression of interest to eoimaliasili.org. We look forward to hearing from you.
